- Powerful oxygen is safe to use and will not strip glaze
- Removes odors and residual flavors from plastic

YOUR CLEAR RESULTS PARTNER®

Avance Warewashing Solutions®

OXYGENATED PLASTIC PRESOAK

Avance™ Oxygenated Plastic Presoak is a powerful combination of oxygen and detergents in a precision released granular form. Oxygenated Plastic Presoak is strong enough to remove stubborn stains, odors and tastes from plastic while not stripping the glaze. Avance Oxygenated Plastic Presoak preserves plasticware and extends its useful life.

May also be used on fine china and silverware to safely remove stubborn soils and dried-on food.

DIRECTIONS

Dosage of Avance Oxygenated Plastic Presoak varies based on stain and soil severity. For best results consult your State Cleaning Solutions Service Representative.

Please review label and SDS for all product directions, precautions and first aid information before using this product.
