

DRAIN CARE *Solutions*

- Soy-based formula that effectively eliminates grease buildup
- Non-caustic, non-acidic and non-corrosive
- Fragrance-free

CARE FOR WORK ENVIRONMENTS®

DISSOLVES GREASE

GATOR'S natural soy-based formula quickly dissolves grease and eliminates drain clogging buildup. The water emulsifiable formula keeps lines free-flowing, eliminating costly maintenance problems. GATOR mixes with water for a quick flush. The solvent can also be used to clean walls, quarry tile, greasy kitchen floors and almost anywhere that grease is a problem. After cleaning, pour the mop solution down the drain for an even more economical drain maintainer.

SAFE TO HANDLE

GATOR has no explosive blowbacks and won't burn the skin. In fact, GATOR causes less skin irritation than a 4% soap and water solution. GATOR is safer to handle than caustics or acids and has a high flashpoint (greater than 300°F), which further reduces workplace hazards.

APPLICATIONS

Preventative Drain Maintenance: Prevent grease and slime buildup in your drains, pipes, and grease traps.
General Cleaning and Degreasing: Food handling areas, greasy equipment, floors, walls, and open sinks.

NON-CAUSTIC, NON-ACID and NON-CORROSIVE

GATOR eliminates deterioration caused by excess heat as well as corrosion generated by acid or alkaline drain products making it safe to use on metal pipes.

AUTHORIZATION

Gator is NSF approved and is a USDA certified bio-based product.

Please review label and SDS on stateindustrial.com for all producer directions, precautions and first aid information.

TECHNICAL DATA

APPEARANCE: colorless to straw colored liquid

ODOR: fragrance-free

WEIGHT PER GALLON: 7.3

FLASHPOINT: greater than 300°F

BIODEGRADABLE SOLVENT: yes
