FOAM FORCE™

Attacks Carpet Odors

NO VACUUM, FOAMING CARPET DEODORIZER

Foam Force was designed to deodorize carpets, freshening them between vacuum sessions. Its potent formula neutralizes tough odors that cling to carpets such as smoke, cooking odors, musty mildew odors, foot odors and odors from spills without the need of a vacuum. Within minutes, malodors are eliminated from the carpet and the surrounding space.

QUICK-DRYING FOAM

The foaming technology behind Foam Force is what makes it so unique. It rids carpets of odors and leaves no residue behind. After it is sprayed, the foam breaks down and dries quickly, allowing the carpet to be used in minutes.
