

Solid Pot & Pan Detergent

- Long-lasting, powerful suds
- Mild to hands
- Minimized spill potential
- Powerful yet mild to pots, pans and dishes

Avance[™] Solid Pot & Pan Detergent is an effective formulation for manual warewashing.

Avance[™] Solid Pot & Pan Detergent is powerful enough to handle difficult food soils yet will not harm tableware or metal surfaces. Avance[™] Solid Pot & Pan Detergent produces long lasting powerful suds.

Avance[™] Solid Pot & Pan Detergent has been specifically formulated to quickly cut through grease and baked-on food. Avance[™] Solid Pot & Pan Detergent easily rinses and will not leave a dulling film on kitchenware.

Solid Pot & Pan Detergent

directions

This product is designed to be dispensed with equipment installed and/or approved by your State Cleaning Solutions Service Representative. Consult your Service Representative for information on equipment setup, usage level and any recommended presoak duration.

This product should be dispensed only from equipment designed specifically to handle solid capsule detergents. Make sure water spray is not engaged when replacing jar into dispenser. Your service technician will set your dispenser to yield the proper amount of detergent solution into the sink. Fill the remainder of sink with warm water. Place articles to be washed into sink. Some items may require slight agitation or soaking. Clean items and rinse with clear water. Sanitize kitchen items according to local regulations and set aside to air dry. When dry, place in a clean storage area. Pots, pans, and other heavily soiled items may require additional time to soak.

Please review label and MSDS for all product directions, precautions and first aid information before using this product.
