## GREEN POT & PAN MANUAL POT AND PAN DETERGENT

### MANUAL POT AND PAN DETERGENT

Avance® Green Pot & Pan detergent is an economical, green lotion detergent with fast acting suds that dissolves dried on food soil. High performance surfactants remove grease, and lifts and suspends soil from tough, baked-on food on bake pans, cookware and utensils. The free rinsing nature of this product leaves glassware sparkling and residue free.

The fast acting nature of Avance Green Pot & Pan Detergent cuts down pre-soaking and scrubbing time. Cookware is clean and ready to use faster, increasing kitchen efficiency.

### DIRECTIONS FOR USE:

Pot and Pan Washing: Use 1 ounce per 3 gallons of warm water.  
Heavy Cleaning: Use 1 ounce per 1 gallon of warm water. For food contact surfaces: Rinse thoroughly in potable water after washing food contact surfaces. Do not mix with anything but water.
