NDCTM Morning FreshTM NEUTRAL DISINFECTANT CLEANER

FAST-ACTING SOLUTION

NDC is a concentrated, pH neutral, broad-spectrum quaternary disinfectant designed to clean and disinfect a wide variety of hard, non-porous inanimate surfaces. Its pleasant fragrance makes this an ideal cleaner and disinfectant to prevent cross contamination on surfaces throughout the facility.

MARKETS

NDC Morning Fresh is the perfect disinfectant solution for a variety of markets. It kills a wide range of microorganisms, which are the main source of malodors. The efficacy and fragrance combine to eliminate even the toughest facility odors.

Utilize NDC Morning Fresh in hospitals, restaurants, hotels, animal care facilities, nursing homes, schools, funeral homes and prisons.

KILL CLAIMS

NDC has over 60 kill claims and a 60 second dwell time on EPA List N. This product is proven effective against bacteria and viruses such as:

- | | |
|------------------------------|---------------------|
| • VRE | • MRSA |
| • HIV-1 & HIV-2 (AIDS Virus) | • Influenza A Virus |
| • HBV | • HCV |
| • Simplex Type 1 and 2 | • Many More |

Note: Some claims are not approved in the State of California. Refer to Product Label for full list of approved claims.

For SARS-CoV-2, follow instructions on the product label.

COMMON APPLICATIONS

NDC Morning Fresh's quaternary, neutral pH formula will not harm, or dull, high-gloss floor finishes or painted surfaces. NDC will clean and disinfect hard, non-porous inanimate surfaces such as:

- | | |
|---------------------|-----------------------|
| • Floors | • Toilets and urinals |
| • Glass and mirrors | • Metal |
| • Stainless steel | • Porcelain |
| • Ceramic tile | • Plastic |
| • Showers | • Stalls |
| • Cabinets | |

DIRECTIONS FOR USE

For general disinfection, use 2 oz. per gallon of water (848 ppm active solution). Allow surface to remain wet for 10 minutes.

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Before using, refer to the product label for all applications, procedures and directions.

TECHNICAL DATA:

REGISTRATIONS: EPA Registration Number 1839-169-70799

APPEARANCE: clear, green liquid

FRAGRANCE: Morning FreshTM

ACTIVE INGREDIENTS: quaternary compounds

pH: 6.0 – 7.0

Please review label and SDS on stateindustrial.com for all product directions, precautions and first aid information.
