

FLOOR CARE *Solutions*

High Performance Stripper

- Quickly attacks and removes heavy finish buildup
- Can be diluted at various strength to accommodate any situation
- Morning Fresh™ fragrance eliminates obnoxious odors

CARE FOR WORK ENVIRONMENTS®

Floor Wizard[®] High Performance Stripper

TOUGH STRIPPING POWER

High Performance Stripper is designed for even the toughest stripping jobs - large areas and multiple layers of old, tough, hardened finish. Its special blend of solvents dig deep to break the molecular bond that holds the finish to the floor. It removes water-based sealers as well, eliminating the need for multiple products.

EXCELLENT WITH AUTOMATIC FLOOR MACHINES

High Performance Stripper works well with automatic floor machines to quickly and efficiently strip large areas. However, its special formulation can be used effectively with just a mop and wet vacuum as well. High Performance Stripper emits a pleasant Morning Fresh™ fragrance instead of harsh ammonia fumes common .

DIRECTION FOR USE

1. Dust mop or sweep floor to remove loose debris.
2. Mix with warm water as follows:
Mop application: 1:5
Auto Scrubber application: 1:10
3. Apply generously to floor and let stand for 5-10 minutes. If needed, reapply stripper to areas that dry out.
4. Use a black pad on a 175 rpm floor machine to scrub floor.
5. Pickup solution with a wet vac or mop.
6. Rinse with clean, cool water until all residue is removed

Please review label and SDS for all product directions, precautions and first aid information prior to using this product.

TECHNICAL DATA

APPEARANCE: milky white emulsion

ODOR: minimal, characteristic

pH: 7.5-8.5

SLIP RESISTANCE: .5 minimum (ASTM D2047-82)

SOLIDS %: 18

POLYMER TYPE: modified Acrylic

REMOVAL: strip using any of State's floor strippers

PACKAGING

122640	20 GL Drum
125135	5 GL Pail
