

DRAIN CARE *Solutions*

STATE
**Grease-
B-Gone®**

- Keeps drain lines free-flowing and fresh-smelling
- All-natural citrus-based formula quickly dissolves grease
- Use with State's DR-2000 for an automatic drain care program
- Can also be used to easily clean any greasy surface
- NSF registered for use in and around food processing areas

State®
Since 1911

CARE FOR WORK ENVIRONMENTS®

DISSOLVES GREASE

GREASE-B-GONE's all natural citrus-based formula quickly dissolves grease. Keeps lines free-flowing and fresh-smelling. Use to clean walls, quarry tile, greasy kitchen floors and anywhere grease is a problem. After cleaning, pour mop solution down drain for an economical drain maintainer.

CONTROLS ODORS

Eliminates offensive soap scum deposits associated with drains, grease traps and disposals. Overcomes repulsive odors and produces a fresh citrus aroma.

NONACID / NONCAUSTIC / NONCORROSIVE

Safe on metal pipes. GREASE-B-GONE eliminates deterioration caused by excess heat or corrosion generated by acid or alkaline drain openers and maintainers.

APPLICATIONS

Deodorant: Rubbish piles, dumpsters, garbage cans, sludge drying beds, wet wells, landfills, kennels and stables.

Preventive Drain Maintenance: Kitchen drains, bathroom drains, shower drains and bar drains.

General Cleaning & Degreasing: Food handling areas, greasy equipment, floors, walls and open sinks.

Industrial Sewage Control: Municipal sewage plants, pumping stations and industrial plants.

AUTHORIZATIONS

Meets the requirements for use in Federally inspected meat and poultry plants. NSF certified CI rating.

DIRECTIONS FOR USE:

SEWAGE PLANTS: Effectively controls odors in dilution as low as 0.5 PPM or 1/2 ounce per 8,000 gallons of water. Apply through State's DR-2000™ Drain Pump for best results.

DRAIN CLEANER: To open drains stopped up by grease buildup, pour in 8 ounces (1/2 pint) of GREASE-B-GONE. Allow to stand

for 1 hour. Flush with hot tap water. In garbage disposals, allow to stand 5-10 minutes. Flush with hot tap water. Do not allow to stand in plastic pipes.

DRAIN & GREASE TRAP MAINTENANCE: Prevent grease buildup in grease traps and drains! Pour in a solution of 8 ounces (1/2 pint) GREASE-B-GONE per gallon of water. Allow to stand for 1 hour. Flush with hot tap water. Or, automate with our 24/7™ Drain Care System.

TO CONTROL ODORS: Pour 4 ounces of GREASE-B-GONE into 1 gallon of cold water. Apply with State's Tri-Gal Sprayer to odor source. GREASE-B-GONE provides a pleasant citrus aroma to rubbish piles, dumpsters, garbage cans, etc.

GENERAL CLEANING & DEGREASING: Dilute 4 ounces of GREASE-B-GONE to one gallon of warm water. For effective results, apply generously to greasy equipment, floors, or walls with mop, sponge, or cloth. Allow to set approximately 5 minutes. Rinse with clean water. Not for use on synthetic or resilient tile floors.

TECHNICAL DATA:

APPEARANCE: Colorless to pale straw colored liquid

ODOR: Pleasant citrus odor

WEIGHT PER GALLON: 7.05 lbs.

PERCENT ACTIVES: 100%

EMULSIFIERS: Present

WATER: None present

FREE CAUSTIC: None present

FREE ACID: None present

ENZYMES: None present

SOLVENT PRESENT: Natural citrus-based oil

FAT AND GREASE SOLUBILITY: 97%

FLASHPOINT: Tag Closed Cup - 120°F

EFFECT ON BENEFICIAL DIGESTIVE BACTERIA IN SEWAGE SYSTEMS: None

BIODEGRADABLE SOLVENT: Yes

AUTHORIZATIONS: GREASE-B-GONE is authorized by the NSF for use in Federally inspected meat and poultry plants.

NOTE: Use caution in plastic or PVC pipes. Product standing at joint areas may cause leakage at plastic plumbing joints.
