- Neutral pH, no fragrance and no chemical odors make this the safest degreaser available
- Green Seal Certified (GS-37)

CARE FOR WORK ENVIRONMENTS<sup>®</sup>

# Ecolution<sup>®</sup> Pro CLEANER DEGREASER

## TOUGH CLEANER

Ecolution Pro Cleaner Degreaser is designed to attack even the toughest accumulated greases and soils emulsifying them so they are easily rinsed or wiped away. It's super concentrated formula handles any cleaning and degreasing task from light- and medium-duty cleaning of walls, countertops, and garage and factory floors, all the way up to heavily-soiled and greasy parts and equipment.

## FORMULATED FOR COST SAVINGS

Ecolution Pro Cleaner Degreaser is super-concentrated meaning you use less product to get the job done, saving money compared to cheap ready-to-use degreasers. Ecolution Pro Cleaner Degreaser is designed specifically for use in all of State's One Solution™ dilution control equipment, which provides consistent, accurate dilution every time. No more hand mixing and waste. Dispense into spray bottles, mop buckets, pressure washers and auto scrubber machines. Ecolution Pro Cleaner Degreaser can also be used in One Solution foaming equipment for large cleaning jobs.

## SAFE, SUSTAINABLE, EFFECTIVE

Ecolution Pro Cleaner Degreaser's performance and versatility are matched only by its safety. A neutral pH, no fragrance or harsh chemical odor and a formula that is non-corrosive and non-flammable makes this one of the safest degreasers available. Ecolution Pro Cleaner Degreaser's green-certified formula has undergone rigorous testing to assure its human and environmental safety as well as thorough performance testing to ensure that it works as well as any conventional degreaser.

## DIRECTIONS FOR USE

**For light-duty cleaning:** Dilute 2 ounces (1:64) Ecolution Pro Cleaner Degreaser to one gallon of cold tap water. Apply to surface, then wipe and rinse surface clean.

**For medium-duty cleaning:** Dilute 4 ounces (1:32) Ecolution Pro Cleaner Degreaser to one gallon of cold tap water. Apply to surface, then agitate with cloth or brush if necessary, and wipe or rinse clean.

**For heavy-cleaning:** Dilute 8 ounces (1:16), or for **extra heavy cleaning** dilute 16 ounces (1:8) Ecolution Pro Cleaner Degreaser to one gallon of cold tap water. Apply to surface, agitate with brush if necessary, and rinse clean.

**Pressure sprayer:** Dilute 16 ounces (1:8), of Ecolution Pro Cleaner Degreaser to one gallon cold tap water. Spray on soiled area and let the solution penetrate for several minutes on heavily-soiled areas. Rinse or wipe clean as needed.

**NOTE:** Will not harm metal surfaces. Because this is a heavy-duty degreasant, care should be utilized on painted surfaces.

**NOTE:** For food plant, use surfaces must be thoroughly rinsed with potable water before re-use.

Please review label and SDS for all product directions, precautions and first aid information.

## TECHNICAL DATA

**Appearance:** Clear blue-green liquid

**Odor:** Mild, no fragrance added

**pH:** 7.0 - 8.0 (diluted)

**Shelf Life:** Minimum one year

This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity. GreenSeal.org.
