CARE FOR WORK ENVIRONMENTS®

FLOOR WIZARD™ RESTORER

CLEANS AND RENEWS IN ONE STEP

PROLONGS FLOOR FINISH LIFE

Restorer renews floor finish with each application. This special blend of polymer finish and detergents allow Restorer to clean the embedded grit from the surface layers of the floor finish while adding a layer of shine. When used regularly, Restorer will prolong floor finish life, which reduces the frequency of time-consuming and labor-intensive stripping and refinishing. It can be spray buffed with conventional equipment, applied with a mop or through an auto scrubber.

DIRECTIONS FOR USE

FOR SPRAY BUFFING:

1. Dust mop or sweep floor.
2. Mix product 1:2 with water.
3. Mist product lightly over floor.
4. Buff with conventional equipment using a red pad.

BURNISHING:

1. Dust mop or sweep floor.
2. Mix product with water as follows:
Mop application: 1:32
Auto Scrubber application 1:64
3. Apply sparingly to floor.
4. Let dry.
5. Burnish using a high speed burnishing pad and a electric, battery or propane machine.

Please review the label and SDS at stateindustrial.com for all product directions, precautions and first aid information.
