CARE FOR WORK ENVIRONMENTS®

Grunge Fighter™

The Ultimate Non-Pumice
Industrial Hand Cleaner

STRONG CLEANING POWER

Grunge Fighter is a specially formulated, heavy-duty hand cleaner that removes dirt, grease and grime. The powerful cleaner is also effective in removing ballpoint pen ink.

FREE OF PUMICE AND ABRASIVES

Grunge Fighter effectively cleans your hands without abrasives or pumice, which can work their way into cuts on hands and irritate sensitive skin. The abrasive-free formula is ideal for removing dirt, grease and grime from arms and legs.

MOISTURIZES AND SOOTHES

Grunge Fighter is enriched with lanolin to condition hands and prevent drying, chapping or cracking. Helps fight industrial dermatitis.

NO PETROLEUM DISTILLATES

Grunge Fighter's powerful surfactant system contains no petroleum distillates or harsh solvents that dry or leave a harsh odor on your skin. The light lime fragrance is a refreshing change from the unpleasant odors common to many industrial hand cleaners. The light scent does not leave a heavy perfume odor.

DILUTABLE

Grunge Fighter is dilutable with equal parts of water for use in areas where an even lighter hand cleaner is preferred.

DIRECTIONS FOR USE

Put an ample amount of Grunge Fighter on hands. Rub onto skin and then rinse with clean water. Repeat as necessary to completely remove heavy grease and grime.

DILUTION DIRECTIONS

Grunge Fighter performs best at full concentration but can be diluted up to 50% with water for lighter hand cleaning situations.

Please review label and SDS for all product directions, precautions and first aid information

TECHNICAL DATA

Appearance: Green liquid

Odor: Lime

pH: 9.6 ± 0.6

Flash Point: None to 200°F—not flammable

Abrasives: None
