## DISHMACHINE PRODUCTS

**Avance™ Machine Detergent** - Delivers great results in low and high temperature machines.

**Avance™ Liquiware** - Concentrated warewashing detergent effective in all temperatures and hard water.

**Avance™ Solid Machine Detergent** - Concentrated blend of alkali's and water conditioners to minimize change outs and save storage space.

**Avance™ Rinse Additive** - Economical all purpose rinse for both high and low temperature machines.

**Avance™ Solid Rinse Additive** - Prevents water spots and streaking in a compact jar that minimizes container change-out.

**Avance™ Silver Brightener** - Concentrated presoak used to soften and penetrate food soils and stains before entering the dishmachine.

**Avance™ Lime Eliminator** - Rids dishmachines and coffee urns of hard water deposits.

**Avance™ Chlorine Sanitizer** - EPA-registered chlorine sanitizer.

Ask about our dishmachine leasing options.

## THREE-COMPARTMENT SINK SOLUTIONS

**Sta-Glo™ Professional** - High-sudsing detergent outperforms the competition. Available with or without fragrance.

**Avance™ Pot and Pan Detergent** - Produces long-lasting suds that power-off food soils.

**Avance™ Low Foam Bar Detergent** - Formulated to be used with mechanical brushes and for glassware.

**Avance™ Sani-Quat** - No-rinse food surface sanitizer that is registered for a 200-400 ppm quat solution.

## KITCHEN CLEANERS AND DEGREASERS

**Avance™ Pit Piranha** - Removes baked on grease from hoods, ovens, fryers and more.

**Avance™ Kitchen Kleen** - Concentrated degreaser that eliminates heavy soils. Safe around food.

**Scentastic™ Lavender** - Neutral cleaner that effectively cleans a wide range of surfaces.

## SPECIALTY ITEMS

**Avance™ Freezer Cleaner** - Cleans dirt and grease at temperatures as low as -20°F.

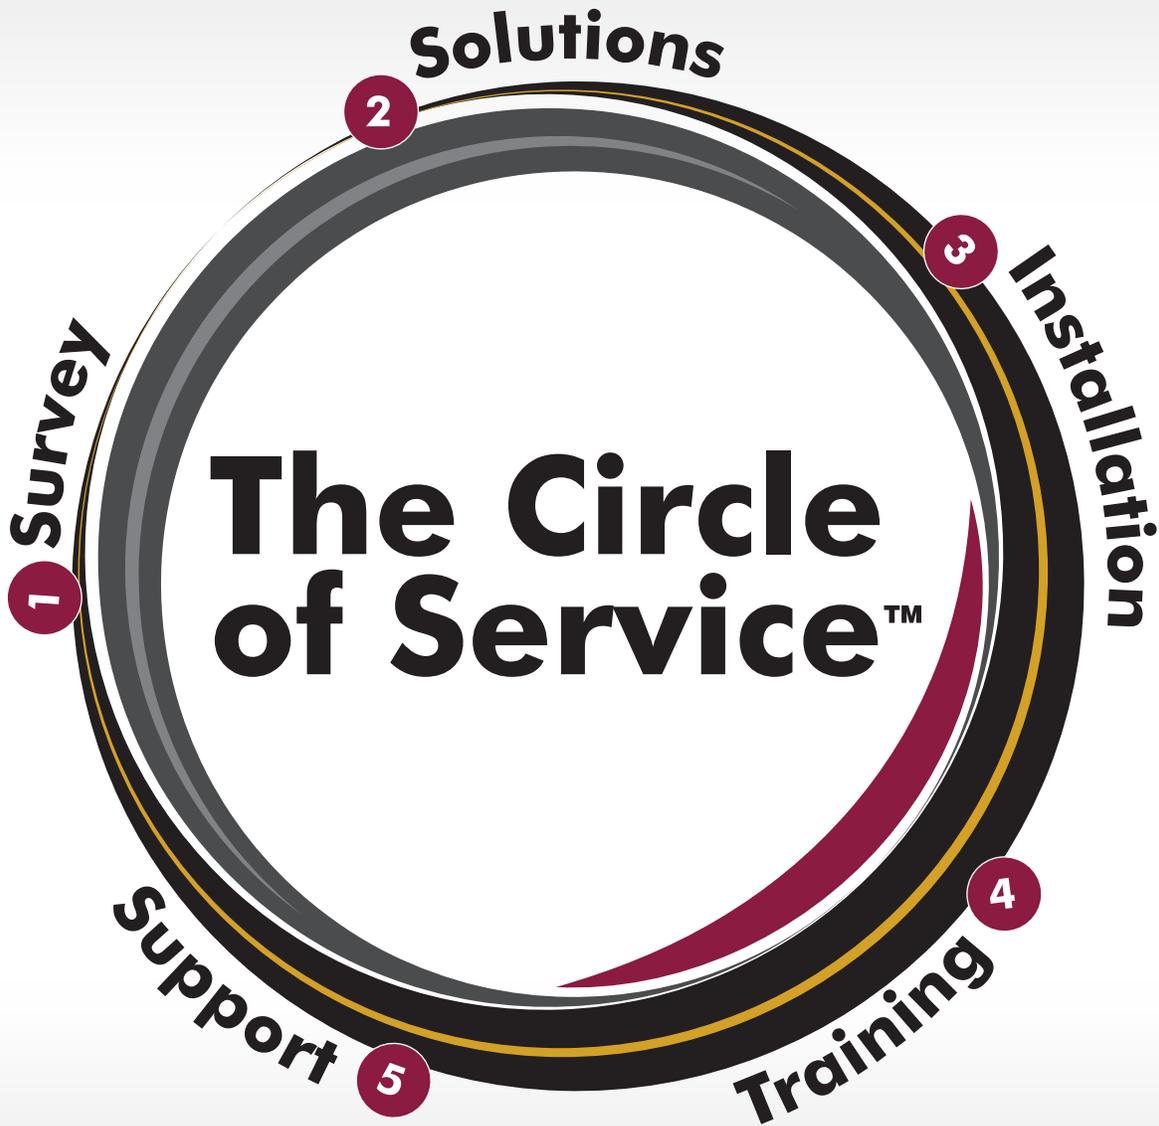

**SSC Stainless Steel Cleaner Aerosol** - Maintains the original finish of stainless steel, chrome, aluminum, copper, brass and more.

**Avance™ Fryer Tabs** - Ready-to-use, heavy duty detergent that is formulated to tackle the toughest fryer cleaning jobs.

**DBC-34™** - Concentrated cleaner that is an ideal disinfectant for hard, non-porous surfaces.

**Mint Action™** - Powerful bowl and urinal cleaner quickly removes water lines, stains, encrusted deposits, lime and uric acid salt deposits.
