 **Pyxis**™
Laundry Solutions

Destainer

Pyxis Destainer is a concentrated chlorine based formulation designed to brighten white, bleach-safe fabrics. Pyxis concentrated formula provides cost effective wash brightening with a typical application use of 2 - 4 ounces per load.

Works for common stains such as coffee, grass, red juice or wine stains. Pyxis Destainer also removes perspiration and body fluid stains common detergents may not completely remove.

Destainer

Directions For Use:

Use Pyxis Destainer for top loading institutional laundry machines. To brighten whites add 2 - 4 oz per wash load. NOT SAFE ON COLORED FABRIC.

For color fabrics use State PO₂WER or State PO₂WER RTU.

Additional Treatment Solutions:

For additional laundry cleaning and enhancement use these products:

Pre-Spotting: State PO₂WER RTU, a powerful oxygenated enzyme pre treatment spotter.

Color Safe Brightener: State PO₂WER concentrated powder additive, oxygenated brightener and stain remover.

Fabric Softener: Pyxis Fabric Softener concentrated laundry softener, makes laundry soft and fluffy. Reduces static cling and makes ironing easier and faster.

Laundry Detergent: Pyxis Laundry Detergent concentrated, mild detergent specifically formulated for institutional use machines.

Please review label and MSDS for all product directions, precautions, and first aid information.
