CARE FOR WORK ENVIRONMENTS®

State®  
**Ready  
 Clean™**  
 MULTI-PURPOSE HAND WIPES

**DESCRIPTION**

ReadyClean™ Wipes are an industrial strength, waterless cleaning wipe strong enough to remove the toughest dirt and grime. The wipes can be used on stainless steel tools, for wiping up spills and cleaning your hands.

**APPLICATIONS**

ReadyClean wipes easily remove grease, wax, ink, tar, paint, adhesives and lubricants. Safe for use on skin, tools, general work surfaces, machines and more. Use in industrial maintenance shops, warehouses, mechanics garages, offices, kitchens and more. ReadyClean Wipes are a great alternative where traditional soap and water are not readily available.

**MATERIAL**

The ReadyClean wipe fabric is 200 times stronger than other cleaning wipes on the market. The fabric effectively removes soils yet is gentle on skin and surface materials.

**DIRECTIONS FOR USE:**

1. Remove lid by lifting upward
2. Pull towel from center of the roll and thread through "X" on the underside of the lid
3. Close lid. Pull towel at a 90° angle.
4. Snap hinged cap back into place to ensure towels stay moist

**DIRECTIONS FOR CLEANING:** Scrub soiled surfaces with abrasive side of the towel until soil is loosened. Use the smooth side to wipe surfaces clean. No need to rinse or dry hands. Discard towel after use.
