CARE FOR WORK ENVIRONMENTS®

State® Ready Clean™

Stainless Steel Wipes

MULTITASKING CAPABILITIES

ReadyClean Stainless Steel Wipes are designed to effectively clean, polish and protect stainless steel surfaces. Each wipe has a non-scratching abrasive side for cleaning as well as a smooth side for polishing, making them the ultimate all-in-one solution. ReadyClean Stainless Steel Wipes are also effective on an assortment of metals, including brass, silver and copper.

PROTECTIVE QUALITIES

ReadyClean Stainless Steel Wipes remove hard water stains, smudges, fingerprints and other debris from most stainless steel surfaces while providing a clear, protective coating. This allows each wipe to treat and prevent oxidation and corrosion.

VOC-COMPLIANT

ReadyClean Stainless Steel Wipes meet the stringent regulations for metal polishes and cleansers.

APPLICATION

- Vending machines
- Beverage dispensers
- Restroom stalls
- Escalator walls
- Elevators
- Food appliances and fixtures

DIRECTIONS

Wipe surface to be treated with abrasive side first to remove stains and debris. Use smooth side to clean and polish. Discard used wipe in proper trash receptacle. Use a soft, dry cloth to further buff if desired.

Refer to stateindustrial.com for SDS information.

TECHNICAL DATA:

APPEARANCE: purple cloth
SIZE OF TOWEL: 9.5" x 12"
FRAGRANCE: citrus
FLASH POINT (liquid): 197°F
VOC CONTENT (liquid): < 3.0% by wt.
