FLOOR RESIDUE CLEANER

- Powerful cleaning agents
- Safe for a wide variety of floors
- Highly concentrated for economical cleaning

CARE FOR WORK ENVIRONMENTS®

# FLOOR WIZARD™ RESIDUE REMOVER

## SAFE FORMULATION:

With its powerful cleaning agents, Residue Remover can be used to eliminate the residue left by cleaners and ice melting compounds on a variety of indoor flooring such as vinyl, carpet, terrazzo and wood. Residue Remover will not damage even extremely delicate floors such as marble, granite and limestone.

## ECONOMICAL:

Residue Remover's highly concentrated formula is extremely economical: only one ounce is needed for every gallon of mop water in order to effectively clean away residue and condition floors. Can be used through auto scrubber machines as well for large area cleaning. Dispense Residue Remover through State's One Solution™ dilution system for safe, accurate, and economical use every time. Residue Remover can also be combined with other State Floor Care products such as Ecolution Neutral Floor Cleaner, Scentastic, and Ecolution Carpet Cleaner.

## DIRECTIONS FOR USE:

Please review label and SDS for all product directions, precautions and first aid information prior to using this product.

### For Daily Damp Mopping/Auto Scrubbing:

Prepare a solution containing one ounce of Residue Remover for each gallon of mop water. Apply liberally to floor with a mop or use through scrubber allowing the solution to set for several minutes. Rinse with clear water, being certain to wring out mop frequently.

### To Remove Heavy Film:

Dilute two ounces of Residue Remover in each gallon of mop water and follow same procedures as above.

### For Carpet Cleaning:

Dilute one ounce of Residue Remover per gallon of water into a carpet extraction machine. Can be combined with Carpet Extraction cleaner or used on its own.

## TECHNICAL DATA:

**Appearance:** Clear light amber liquid

**Odor:** Mild

**pH:** 13.0 +/- 0.5

**Flashpoint:** >200°F

**Ice Remover Deposit Removability:** Excellent

**Cleaning Agents:** Present
