- Stops odor and overflow of A/C condensate pans
- Eliminates build-up in pan and drain lines
- Effective bactericide, algacide and fungicide

CARE FOR WORK ENVIRONMENTS®

# STA-CLEAN® ANTIMICROBIAL

## WATER CONDITIONING TABLETS FOR USE IN AIR CONDITIONERS

### COMPLETE TREATMENT

Sta-Clean® Antimicrobial Tablets are safe, easy-to-use, pre-measured tablet treatments for air conditioner condensate drain pans and lines. Sta-Clean Antimicrobial will open up clogged condensate drain lines, and also keep these drain lines and pans from plugging up. Use Sta-Clean Antimicrobial to prevent the overflow of condensate pans, thus preventing damage to walls, ceilings, floors, furniture, and carpets.

### KILLS AND CONTROLS GROWTHS

Any place that condensate or water is collected becomes a breeding place for a broad spectrum of harmful bacteria. Sta-Clean's powerful formula will eliminate, control, and prevent the growth of foulants and sludge.

### ELIMINATES ODORS

Sta-Clean Antimicrobial Tablets not only disperse solids down the drain, but they also eliminate unpleasant water odors. Odors are removed without the use of chlorine or other noxious fumes.

### ECONOMICAL

Sta-Clean Antimicrobial Tablets have been engineered to be a cost-cutting, labor-saving treatment. The tablets plates the pan with a micro film for positive, prolonged cleaning action. The residual action keeps pans free of slime and odor for four to six months.

### EASY-TO-USE

Sta-Clean Antimicrobial Tablets are simple, premeasured tablets. Just drop into drain pan and Sta Clean Antimicrobial starts working immediately.

### DIRECTIONS FOR USE

Drop one tablet into condensate pan. Tablet will immediately begin to dissolve, and will last for four to six months.

Please review label and SDS for all product directions, precautions and first aid information.

### TECHNICAL DATA

APPEARANCE: white tablet

#### ACTIVE INGREDIENT:

n-Alkyl Dimethyl benzyl ammonium chloride.....40%  
Inert Ingredients.....60%

EPA REGISTERED: #38104-4-70799

Sta Clean Antimicrobial tablets are effective against slime and scum and prevent the odors caused by their accumulation.
