Care For Work Environments®

CURRENT ISSUE® Natural Citrus Degreaser

PRODUCT OVERVIEW :

SAFE & EFFECTIVE CLEANING

Current Issue® delivers a high dielectric strength of 48,000 volts, along with non-corrosive and non-caustic properties, making it an ideal cleaner and degreaser for sensitive equipment. Simply spray on and let grease, grime, and dirt run off, leaving surfaces clean without damage or residue.

CLEAN AND REFRESHING PERFORMANCE

With its fresh citrus fragrance and chromate-free formula, Current Issue® is perfect for cleaning electrical motors, generators, power tools, mechanical equipment, and industrial machinery. It will not emulsify, so there's no need to rinse, just spray and wipe or allow to air dry for safe, residue-free results.

DIRECTIONS FOR USE :

Pretest small area before using on synthetic surfaces. Apply liberally by spraying and allow to run off. Allow to air dry or dry with an absorbent cloth. Repeat if necessary. For food plant use: Not for use on food contact surfaces, avoid contamination during application and storage. May harm some plastics and painted areas. Test in inconspicuous area prior to use.

Please review label and SDS for all product directions, precautions, and first aid information.

TECHNICAL DATA :

APPEARANCE: a clear colorless liquid

ODOR: citrus

WATER SOLUBILITY: insoluble

FLAMMABILITY: Flammable aerosol

DIELECTRIC STRENGTH (BREAKDOWN VOLTAGE) PER

ASTMD-877: 48,000 volts

COLD STABILITY: 0°F

STORAGE STABILITY: minimum 1 year

AUTHORIZATION: Meets the requirements for use in federally inspected meat and poultry plants when used as directed.

PACKAGING

121698-12

14.75 OZ Aerosol/CS12

121698-24

14.75 OZ Aerosol/CS24
