Dream Gleam™ PROTECTANT LIQUID

Dream Gleam™ Liquid utilizes four-way technology to restore, beautify, protect, and polish soft surfaces exposed to the elements. The penetrating formula helps restore appearance and flexibility while providing long-lasting protection against dust, dirt, moisture, and damaging UV exposure. Ideal for use on tires, vinyl, plastic, rubber, fiberglass, treated leather, and other surfaces that require a renewed, polished appearance.

- Penetrates deeply into soft surfaces to restore appearances and soft feeling
- Repels dust and dirt, while adding moisture resistance
- Use on tires, vinyl and many other surfaces
