Care For Work Environments®

## PRODUCT OVERVIEW :

Interlok-38 has a high-performance adhesive backing that can bond to many surfaces including but not limited to the following: Bare Metals, Structural Composites, Plastics, Polystyrene, Painted Metals, Naugahyde, Glass, ABS, Rigid Vinyl, Acrylic, Plasticized Vinyl, Fiberglass, Sealed Wood, Polycarbonate

Get the convenience and speed of a tape fastener with the holding power of a mechanical fastener.

### FEATURES:

- 38 PSI push-pull holding strength (262 kPa): Holding power and reliability of mechanical fasteners such as bolts, screws, snaps, hooks, latches, etc.
- Interlocking mushroom-shaped heads: Fast assembly; Self engaging: Only one product to inventory.
- High performance adhesive: Superior bonding strength to numerous surfaces. 2-1/2 times stronger than the holding power of the product.
- Semi-permanent: Provides the convenience of conventional hook & loop fasteners - Reclosable.
- Durable: Resistant to sun and Ultraviolet Rays. Resistant to solvents and aging. Holds underwater.
- Convenient: No tools required for installation. No need to drill holes.
- Adheres at temperature extremes -20° F to 158° F (-29° C to 70° C) continuous. -20° F to 200° F (-29° C to 93° C) intermittent.

### APPLICATIONS:

#### Automobiles, Truck, RV's

- Adhere access panels to consoles
- Mount garage door openers
- Mount electronic transponders for toll gates

- Secure First-Aid kits, remove storage (tool boxes)
- Affix headlight covers and window louvers

#### Marine

- Attach boat covers

- Secure removable tackle boxes
- Lock down accessories and equipment

#### Electrical/Electronic

- Affix control panels, battery packs

- Attach components
- Secure testing devices

#### Miscellaneous

- Mount signs or displays

- Fasten covers on equipment, machinery or vehicles

## DIRECTIONS FOR USE :

Remove liner from one piece of Interlok-38 and press firmly on the surface it is to be applied to. Repeat the process for the other piece of Interlok-38. Press the two pieces of Interlok-38 firmly.

### PACKAGING

124425

1 Roll (1" x 10' roll)
