

Ecolution® INDUSTRIAL HAND CLEANER

Environmentally Preferred

PRODUCT OVERVIEW :

POWER-ACTIVATED PUMICE

Ecolution® Industrial Hand Cleaner contains power-activated pumice which acts like microscopic scrub brushes digging out embedded dirt, grease, and grime allowing it to easily be rinsed away.

LOTIONIZED FORMULA

This heavy-duty skin cleaner is tough on dirt, yet kind to your skin. Ecolution® Industrial Hand Cleaner contains shea butter and special skin emollients to help prevent drying, chapping, and cracking of skin.

LIGHT FRAGRANCE

The light citrus fragrance won't linger on skin or leave a heavy perfume odor.

DIRECTIONS FOR USE :

Pump a small amount of product into hand. Rub into skin, then rinse with water. Avoid food contamination. Do not reuse container.

FOR FOOD PLANT USE: To be used by non-food handling personnel only, or by other personnel when not engaging in food processing.

Please review the label and SDS for all product directions, precautions, and first aid information.

Soap Factory® Sr.

LIQUID HAND SOAP DISPENSER

Made of ABS plastic, the Soap Factory® Sr. is built to last. Its Stainless Steel pump is virtually indestructible, and guarantees that the dispenser will hold up in the worst industrial conditions. Four different adjustment settings to control usage.
