

CARPET & UPHOLSTERY *Solutions*

Floor Wizard® Carpet Spot & Stain Remover (PD Bulk)

- Ready-to-use stain remover
- Lifts and suspends set-in stains for fast removal
- Safe to use on carpet, furniture and upholstery.

CARE FOR WORK ENVIRONMENTS®

Floor Wizard® Carpet Spot & Stain Remover (PD Bulk)

SIMPLE STAIN REMOVAL

Floor Wizard® Carpet Spot and Stain Remover's special formulation of cleaners and degreasers softens, lifts and suspends the most stubborn soils. Stains are quickly and easily removed from carpeting and fabrics.

PENETRATING ACTION

Penetrating action allows Floor Wizard Carpet Spot and Stain Remover to move deep into fibers, pulling the soil to the surface, where it is easily wiped away.

VERSATILE

You can use Floor Wizard Carpet Spot and Stain Remover on almost any type of stain, including blood, dirt, Kool-Aid, wine, mud, oil, ketchup, ink, mustard, vomit, coffee, tea, alcoholic beverages, soft drinks, chocolate, rust and grease. It will remove these stains from a variety of fabrics as well.

READY-TO-USE

No dilution or special equipment is necessary. Simply apply, agitate and wipe away.

ECONOMICAL

Reupholstering furniture and recarpeting rooms can be expensive. Floor Wizard Carpet Spot and Stain Remover's convenient packaging (available in quarts and drums) also saves money.

DIRECTIONS FOR USE

For Carpeting: Spray or pour enough product onto carpet to saturate the stain. Allow the product to penetrate, then carefully agitate with a heavy cloth or stiff brush. Blot the area dry with a clean, absorbent cloth. To remove dye stains from carpeting: Saturate stain and place a damp towel over surface. Touch a hot iron (set to steam) to the towel. Repeat procedure as necessary. Stain will be transferred to towel.

For Upholstery: Test fabric before use. Apply sparingly to a soft cloth. Agitate with cloth. Absorb excess liquid onto dry towels to prevent saturation. Brush lightly or vacuum when dry.

NOTE: Additional applications may be necessary in cases of excessive grease, oil or ink stains. Allow the initial application to dry completely in order to determine if additional applications are necessary.

USE PRECAUTIONS

This product is safe on most fabrics. However, all carpets and upholstery should be tested for colorfastness prior to the application. To do so, apply product to an inconspicuous area. If any discoloration occurs, DO NOT APPLY. Care should be taken not to oversaturate. If over saturation occurs immediately blot up the product until the area is dry.

Please review label and SDS for all product directions, precautions and first aid information.

TECHNICAL DATA

APPEARANCE: clear, colorless liquid

ODOR: Morning Fresh™, Coastal Dreams™

SPECIFIC GRAVITY: 0.987 +/- 0.002

WEIGHT PER GALLON: 8.24 lbs. +/- 0.04

pH: 11.0 +/- 0.2

FLASHPOINT: 125° F +/- 1° F

PETROLEUM DISTILLATES: none

CHLORINATED SOLVENTS: none

SOIL REMOVABILITY: excellent

FOAM CHARACTERISTICS: minimal

SHELF LIFE: minimum one year

PACKAGING
