Care For Work Environments®

STATE SCENTASTIC

Neutral Cleaner

PRODUCT OVERVIEW :

VERSATILE AND EFFECTIVE

State Scentastic Neutral Cleaner is specially formulated for use on all types of finished floor surfaces including vinyl tile, sealed wood, laminate, terrazzo, and concrete. It can also be used to clean most water-washable surfaces including walls, tables, countertops, etc. It is powerful enough to cut through and loosen dirt and built-up soil, but its neutral pH formula makes it gentle enough for sensitive floor surfaces. Will not attack, yellow or dissolve finish when used as directed and will not leave a soap film. Requires no involved rinsing methods.

ECONOMICAL

State Scentastic Neutral Cleaner is super concentrated and can be diluted to fit all cleaning needs. This product can be used with State's One Solution™ dilution system for safe, accurate and cost effective dispensing every time. Apply with a damp mop or through an auto scrubber machine for floor cleaning or dispense into a spray bottle for general surface cleaning.

DEODORIZING POWER

State Scentastic Neutral Cleaner is highly fragranced to both clean and deodorize. It is available in State's popular Morning Fresh™, Lavender and Coastal Dreams™ scent.

DIRECTIONS FOR USE :

Floor Cleaning: State Scentastic Neutral Cleaner is safe for use on finished floors such as vinyl, terrazzo, marble, sealed wood, concrete, and more. Dilute product according to existing floor soils and apply using traditional mopping equipment.

- Light soils: Dilute 1 oz./gal. with cool tap water (1:128)
- Medium soils: Dilute 3 oz./gal. with cool tap water (1:42)
- Heavy soils: Dilute 4 oz./gal. with cool tap water (1:32)

Auto Scrubber: State Scentastic Neutral Cleaner has a controlled foaming formula for effective use in autoscrubber machines. To avoid excessive foaming, use as directed at low dilutions.

- Light soils: Dilute 1 oz./gal. with cool tap water (1:128)
- Medium soils: Dilute 2 oz./gal. with cool tap water (1:64)

General Surface Cleaning: State Scentastic Neutral Cleaner can be used to clean a wide range of water-washable surfaces including tables, counters, chairs, walls, and more.

- Medium soils: Dilute 2 oz./gal. with cool tap water (1:64)

Please review label and SDS for all product directions, precautions, and first aid information.
