Care For Work Environments[®]

F-160

Car & Truck Wash

PRODUCT OVERVIEW :

TOUGH CLEANER

F-160 Car & Truck Wash contains special dispensing agents that hold dirt in suspension until rinsed away. Removes soil, grease, gas, stains, oils, bugs, sludge, and other deposits from car and truck surfaces. Safe on plastic.

WHERE TO USE

Use F-160 Car & Truck Wash to clean cars, trucks, school buses, and all other vehicles. It can be sprayed, sponged, or brushed onto soiled surfaces.

DILUTES FOR ECONOMICAL AND SAFE CLEANING

Concentrated F-160 Car & Truck Wash can be diluted to meet your specific needs. F-160 Car & Truck Wash can be used with the One Solution™ Sidekick Foamer or with hot water in a high-pressure unit for more effective cleaning.

DIRECTIONS FOR USE :

Dilutes for economical and safe cleaning. State's concentrated F-160 Car & Truck Wash can be diluted to meet your specific needs. Several dilution ratios are available. The One Solution™ dispensers assure accurate dispensing for optimum cost control, product performance, and worker safety.

Dilute with cold water or hot water.

Heavy Duty Cleaning: Mix 6 ounces of F-160 Car & Truck Wash with 1 gallon of water. Hose vehicle first with plain water. Apply cleaning solution with sponge, brush, foamer, or pressure spray and agitate. Rinse and wipe dry.

Medium Duty Cleaning: Mix 2 ounces of F-160 Car & Truck Wash with 1 gallon of water. Hose vehicle first with plain water. Apply cleaning solution with sponge, brush, foamer, or pressure spray and agitate. Rinse and wipe dry.

Light Duty Cleaning: Mix 1 ounce of F-160 Car & Truck Wash with 1 gallon of water. Hose vehicle first with plain water. Apply cleaning solution with sponge, brush, foamer, or pressure spray and agitate. Rinse and wipe dry.

Please review label and SDS for all product directions, precautions, and first aid information.
