

Quick DEFENSE

4 M DISINFECTANT WIPES

PRODUCT OVERVIEW :

In just 4 minutes, Quick Defense™ 4 M Disinfectant Wipes kill a wide range of organisms including the following pathogens:

Escherichia Coli: ESBL	Salmonella enterica
Influenza A/H1N1	Listeria monocytogenes
Influenza A/H7N9	Staphylococcus aureus
Influenza A/Brazil	Escherichia coli [E. coli]
Pseudomonas aeruginosa	HIV-1 [AIDS Virus]
Klebsiella pneumoniae [Klebsiella]	Streptococcus Pyogenes (Strep)
Hepatitis B Virus [HBV]	

(See label for full list of kill claims)

CLEANER

The quaternary, non-bleach formula provides effective light cleaning. Durable cloth wipes remove light soils from washable, hard, non-porous surfaces, leaving them clean and ready for use.

DEODORIZER

A pleasant Linen Fresh fragrance delivers effective deodorization alongside powerful cleaning and disinfecting performance. Unlike bleach or phenol-based products, these wipes produce no harsh odors or fumes, making them ideal for use in areas with sensitive occupants.

FOR USE IN:

Hospitals, medical facilities, nursing homes, day care centers, restaurants and bars, public restrooms, schools, athletic facilities, transportation terminals, vehicles, hotels and motels, factories, office buildings, apartments, condominiums, and more.

FOR USE ON:

Washable hard surfaces including countertops, sinks, appliances, tables, outdoor furniture, chairs, desks, telephones, bed frames, walls, cabinets, doorknobs, baby toys, toilets, garbage cans, stainless steel, finished woodwork, laminate (e.g., Formica), vinyl, plastic upholstery, bathtubs, shower stalls, sinks, toilet bowls, and more.

DIRECTIONS FOR USE :

See product label for all instructions.

CLEAN AND DISINFECT/VIRUCIDAL DIRECTIONS:

Wipe hard, nonporous surfaces with a wipe until the surface is visibly wet. Allow the surface to remain wet for 4 minutes. If surfaces are extremely dirty, clean first with another wipe before disinfecting. Discard used wipe in trash. Do not flush. Rinse food-contact surfaces with clean, potable water after disinfecting. Do not use to disinfect dishes, glassware, or utensils.

TECHNICAL DATA :

FRAGRANCE: Linen Fresh

DISINFECTANT TYPE: quaternary ammonium compounds

SHELF LIFE: minimum one year

Please review label and SDS for all product directions, precautions, and first aid information.
