Care For Work Environments®

Quick DEFENSE™ Linen Fresh Scent

PRODUCT OVERVIEW :

FAST-ACTING SOLUTION

Quick Defense™ Spray is a sanitizer and disinfectant used on pre-cleaned washable, non-porous surfaces. Its quaternary formula is also effective as a light-duty cleaner. Quick Defense™ Spray uses a non-aerosol, continuous spray can that dispenses 100% pure product without shaking. Quick Defense™ Spray is sustainable and environmentally preferred.

MARKETS

Quick Defense™ Spray is a sanitizer and disinfectant that benefits any market segment. Some common markets include hospitals, medical offices, nursing homes, daycare centers, nurseries, restaurants and bars, cafeterias, public restrooms, schools, athletic facilities, transportation terminals, hotels/motels, factories, office buildings, ships, cars, buses, ambulances, maintenance shops, and more.

KILL CLAIMS

Quick Defense™ Spray is effective against a variety of viruses and bacteria, including:

- Human coronavirus
- Streptococcus pyogenes
- MRSA
- Listeria monocytogenes
- Herpes Simplex Type 2
- Influenza A H3N2
- E.coli
- Staphylococcus aureus
- VREF
- Athlete's foot fungus
- HIV-1 (AIDS Virus)
- Refer to label for additional pathogens

DIRECTIONS FOR USE :

See product label for all instructions:

AIR FRESHENER: Apply a light spray into the air or onto A/C filters.

FABRIC REFRESHER: Apply a light spray onto fabric surfaces. This will not harm most washable fabrics; test a small area first.

SANITIZER: Quick Defense™ Spray kills 99.99% of listed germs in 60 seconds. Clean the surface, then spray thoroughly on the surface. Let stand for 60 seconds before wiping.

DISINFECTION: Follow same procedure as for sanitizing, but allow the product to remain visibly wet on the surface for 10 minutes.

MOLD AND MILDEW CONTROL: Wash visible soil from the surface. Spray all surfaces thoroughly and let air dry. Repeat application every 7 days to control the recurrence of growth.

COMMON APPLICATIONS

Quick Defense™ Spray eliminates odors on porous and non-porous surfaces, including:

- Upholstery and fabric
- Carpets
- Bedding
- Mattresses
- Air conditioning filters

TECHNICAL DATA :

EPA REGISTRATION NUMBER: 66243-1-70799

APPEARANCE: clear, light aerosol spray

FRAGRANCE: Linen Fresh

DISINFECTANT TYPE: quaternary ammonium compound

SHELF LIFE: one year

pH: 6-11

Please review label and SDS for all product directions, precautions, and first aid information.
