DRAIN LINE DEGREASER

PRODUCT OVERVIEW :

Drain Line Degreaser is a powerful natural citrus-based degreaser formulated to break down grease and help eliminate foul odors in drain lines. Its synergistic surfactant blend provides fast-acting degreasing performance while helping prevent grease buildup and coagulation. The biodegradable formulation contains no petroleum solvents or distillates, making it an effective solution for maintaining cleaner, better-performing drain systems.

DIRECTIONS FOR USE :

Lift Stations

Spray undiluted on lift station walls and let stand. Rinse with water. Use as needed.

Settling Tanks, Digesters, Lagoons, Influent

Dose as low as 0.5 ppm. Apply using a 24/7 Drain Dosing Station.

Sludge Drying Beds

Spray undiluted with a standard 3-gallon sprayer. Apply directly on sludge as needed.

TECHNICAL DATA :

APPEARANCE: clear, yellow liquid

FRAGRANCE: citrus

pH: approximately 12.3

SPECIFIC GRAVITY: approximately 1.01

SHELF LIFE: two years

Please review label and SDS for all product directions, precautions, and first aid information.
