Care For Work Environments®

READYCLEAN™

Maintaining a clean, professional environment takes more than one solution. The ReadyClean™ family offers convenient cleaning solutions designed to address a range of everyday cleaning challenges, from grease, grime and soap scum to fingerprints, surface residue and everyday messes. With easy-to-use formulas and convenient wipes, ReadyClean™ helps simplify routine cleaning without unnecessary preparation or extra steps.

Together, the ReadyClean™ family helps keep facilities, workspaces and shared environments clean, presentable and ready for whatever comes next.

PRODUCT SELECTION

Ready Clean™ MULTI-PURPOSE HAND WIPES

PRODUCT OVERVIEW :

ReadyClean™ Multi-Purpose Hand Wipes provide an industrial-strength, waterless cleaning solution for hands, tools and general work surfaces. The premoistened wipes remove tough dirt and grime, including grease, wax, ink, tar, paint, adhesives and lubricants, while remaining gentle on skin and surface materials. They provide a convenient alternative when traditional soap and water are not readily available.

- Versatile, long-lasting cleaning wipe
- No rinsing or drying and no residue left behind
- Safe for use on virtually any surface and gentle on skin
- Fresh citrus scent

TECHNICAL DATA :

ODOR: citrus

APPEARANCE: premoistened

DETERGENCY: excellent

WETTING ABILITY: excellent

PHOSPHATES: N/A

PH: 4.5-6.0 (liquid component of the towelette)

PRODUCT SELECTION

Ready Clean™ STAINLESS STEEL WIPES

PRODUCT OVERVIEW :

ReadyClean™ Stainless Steel Wipes clean, polish and protect stainless steel surfaces in one convenient wipe. The dual-sided wipe features a non-scratching abrasive side for removing hard water stains, smudges, fingerprints and debris, plus smooth side for polishing. The formula also helps prevent oxidation and corrosion and can be used on other metals, including brass, silver and copper.

- Cleans and polishes most stainless steel surfaces
- Helps prevent oxidation and corrosion
- Dual-sided wipe features an abrasive side and a smooth polishing side

TECHNICAL DATA :

APPEARANCE: purple cloth

SIZE OF TOWEL: 9.5" x 12"

PRODUCT SELECTION

Ready Clean™ CLEANER DEGREASER

PRODUCT OVERVIEW :

ReadyClean™ Cleaner Degreaser is designed to tackle stubborn grease, grime and heavy soil by emulsifying buildup into an easy-to-rinse consistency. The ready-to-use formula is suited for a variety of cleaning and degreasing applications, including walls, countertops, floors and heavily soiled equipment. Its neutral-pH, non-corrosive and nonflammable formula is also EPA Safer Choice-certified.

- Powerful cleaning for heavy soil and grease
- Neutral-pH, non-corrosive and nonflammable formula
- Made with biodegradable ingredients

TECHNICAL DATA :

APPEARANCE: clear liquid

FRAGRANCE: citrus

pH: 7.0 - 8.5 typical

SHELF LIFE: two years

Please review label and SDS for all product directions, precautions, and first aid information.

DRY ERASE BOARD CLEANER

PRODUCT OVERVIEW :

ReadyClean™ Dry Erase Board Cleaner helps maintain clean, professional writing surfaces by removing the residue, chalk dust and dirt that can build up over time. Its clinging foam is designed to work on vertical surfaces, helping restore boards to a cleaner, brighter condition in classrooms, offices, conference rooms and other shared spaces.

- Cleans and brightens chalkboards and dry erase boards
- Clinging foam dissolves chalk dust and dirt on vertical surfaces
- Leaves boards clean and easier to read, helping reduce eye strain

TECHNICAL DATA :

APPEARANCE: white aerosol foam

FRAGRANCE: pleasant

pH: 9.5 - 11.0 typical

COLD STABILITY: 32°F

SHELF LIFE: 1 year minimum

Please review label and SDS for all product directions, precautions, and first aid information.
